

The OSL Observer

Celebrating our 2026 Graduates!

This year - our first in our new intentionally focused, specialized school model - all of our students graduated with scholarships to colleges and universities throughout the country. Because of the care and love experienced as part of our school community, these students are equipped for success with a faith foundation in Jesus!

Graduates & FISLL Awards

Through our specialized school model, each student received exceptional education through focused study and individualized attention, allowing them to excel and grow in their love for learning. They will continue their academic journeys at some of the finest undergraduate institutions in our nation, including St. Louis University (MO), Monmouth University (NJ), the University of Idaho (ID), Youngstown State University (OH), Caldwell University (NJ), and Midland College (TX). This year, we also introduced the FISLL awards, which were given to graduates who exemplified the values of our school - Faith, Integrity, Sacrifice, Leadership, & Legacy - through our partnership with the Allan Houston Legacy Foundation.

Sights of Celebration!

Students who graduated as part of our previous partnership were honored at our 2026 ceremony. ↗

← *Mr. Renato Matos, J.D., gave a wonderfully inspiring message to our graduates about the importance of impactful work that shows deep love for God & neighbors!*

Families covered our students in prayer and blessing before sending them into new seasons of life! Hallelujah! ↖

Making a Lasting Impact.

One of the most amazing parts of our school is the opportunities that we provide for many of our students. Through athletics and academics, we've sent over 125 students to undergraduate studies on full scholarships in the last 10 years, many of whom would not have had the opportunity to attend college otherwise. We are incredibly proud of our young people and we are so thankful for all who give to our efforts. Together, we continue to live out this incredible mission-centered work, truly living out the Gospel as we raise up young people of great faith, character, intelligence, and strength. As our alumni base continues to grow, we look forward to all of the different ways that they will be able to give back to the next generation of young people at Our Saviour Lutheran School.

Rooted In Faith, Rising In Leadership

A Giving Campaign for Future Generations

Community Builder - \$25,000*

Gifts at this level will provide resources needed to strengthen students' holistic growth and socio-emotional development by helping facilitate the renovation and creation of spaces for connection, fellowship, gathering, and community building.

Scholarship Gift - \$15,000*

Gifts at this level will provide grants & aid for students currently attending our school. Each giver will be connected to students who will share about their journey at OSL.

Education Supporter - \$10,000*

Gifts at this level will have a direct impact on strengthening our educational environment, especially as we introduce students to different means & styles of learning.

Foundation Starter - \$5,000*

Establishing an alumni foundation for our school is more than just a financial endeavor; it is a vital act of stewardship that transforms our shared history into a lasting legacy for the next generation of kingdom-bound leaders. Gifts at this level will set the foundation to secure a firm, faith-based footing for those who will follow in our footsteps.
